

# FARM CHEMICAL USERS CERTIFICATE COURSE

EWORCS Training Solutions in partnership with Murray ACE will be running the Farm Chemical Users Certificate course in the Gannawarra Neighbourhood House in Cohuna over two and a half days from the 10<sup>th</sup> of February.

The ChemCert course is designed for the first time user or those who may have been away from the use of chemicals

for some time, and is stepped out carefully and clearly to assist students in completing all requirements to gain this certificate in the allocated class time.

Cost of the course (including workbook) is \$220.

The course provides the industry recognised standards for the use, storage and transport of chemicals used in general agriculture.

The course satisfies the requirements for the units RTC3704A Prepare and apply chemicals and RTC3705A Transport, handle and store chemicals, and these will appear on the Statement of Attainment for each student.

The course will start each day at 10.00am.

Information is available from EWORCS Training Solutions by phoning 50322544.
